Dear Petro,

I am writing to express support for your members and solidarity with the people of Ukraine as this terrible and illegal invasion of Ukraine unfolds. The eyes of IFAC, the global profession and the entire world are on Ukraine.

IFAC has 180 member organizations in 135 jurisdictions. Our work is founded on principles of cooperation, mutual respect and adherence to the rule of law. Your determination and bravery in defending those principles, under the most extreme circumstances and at great personal risk, is clearly recognized and commended around the world.

I take this opportunity to thank you, your leadership and all professional accountants in Ukraine for the contributions you are making to the economic development of an independent and democratic Ukraine. We are proud of your achievements and will continue to support you in these endeavors.

The entire IFAC family wishes for a just and speedy end to this invasion. You are and will remain in our prayers.

Warm regards,
